I, 6UqZV_20241217103416, resident of the state of ie0oA_20241217103840, being over the age of eighteen years, and of sound and disposing mind and memory, and not acting under duress, menace, fraud, or undue influence of any person whomsoever, do make, publish, and declare this my Last Will and Testament, in the manner following, to-wit:

FAMILY DECLARATIONS

EXECUTOR

I nominate **ERGTNJ56J56HHH** , to be the successor executor.

The term “executor” encompasses any executrix, personal representative, or administrator, as defined by the statutes of any state with jurisdiction over any part of my estate.

I direct that no executor shall be required to post bond and that no other action shall be had in the county court in relation to the settlement of my estate than the probating and recording of my will, and the return of an inventory, appraisement, and list of claims of my estate. I direct my executor to take all actions legally permissible to have the probate of my will done as simply and as free of court supervision as possible under the laws of the state having jurisdiction over this will, including filing a petition in the appropriate court for the independent administration of my estate.

My executor shall have wide-ranging and reasonable authority in managing my estate, including the ability to exercise all powers granted to an executor under state law. This includes the power to sell estate assets with or without notice, through either public or private sales, and to undertake any actions deemed prudent and in the best interest of my estate and its beneficiaries, all without the need for court approval or oversight. I instruct my executor to perform all acts and exercise all such rights and privileges, even if not specifically mentioned in this Will, with respect to any property, as if they were the absolute owner. In doing so, they may make, execute, and deliver any necessary instruments, and enter into any covenants or agreements binding my estate or any portion thereof.

My Executor shall be reimbursed for the reasonable costs and expenses incurred in connection with such Executor’s duties.

DIGITAL EXECUTER

I hereby appoint my Executor to also serve as my Digital Executor, with full authority to manage, distribute, and/or terminate my digital assets, exercising the same judgment, care, and prudence that a person of discretion and intelligence would apply in managing their own affairs. This authority shall be exercised with a view toward the permanent disposition of my digital assets, prioritizing their safety and appropriate handling over speculation or risk.

I further authorize any custodian of my digital assets to disclose and provide access to my Digital Executor for the purpose of administering these assets. My Digital Executor shall have the right to administer my digital assets under informal, unsupervised, or independent probate procedures, or any similar legal framework designed to minimize probate court intervention. No bond or security shall be required of my Digital Executor in relation to these duties.

For the purposes of this Will, digital assets include all electronic assets stored on my computers, electronic devices, or online accounts. These accounts encompass, but are not limited to, social networking sites, online backup services, email accounts, financial and business accounts, domain names, websites, blogs, and virtual properties.

I grant my Digital Executor the following powers:

1. The authority to manage, distribute, access, download, back up, convert, or delete my digital assets, and to terminate any digital accounts, without court order or notice to any party.
2. The power to employ and compensate legal counsel or other professionals as necessary, and to delegate authority for the efficient administration of my digital assets.
3. The right to continue exercising these powers until all digital assets have been fully managed or distributed, even after the termination of my estate.
4. Any additional powers granted to digital executors by law in any jurisdiction, ensuring my Digital Executor can act with the fullest authority available under state or federal law.

This grant of authority is intended to constitute "lawful consent" under the Stored Communications Act, the Computer Fraud and Abuse Act, and any other relevant state or federal laws pertaining to digital assets, privacy, or computer security. My Digital Executor shall be considered an authorized user under computer fraud and unauthorized access laws. The authority I grant to my Digital Executor is intended to be as broad as possible, allowing them full access and control over all my digital assets, devices, and online accounts, to the maximum extent permitted by applicable law.

DEBT

I direct my executor to promptly review and pay my just debts, including last illness and funeral expenses, except for secured long-term debts that may be assumed by the beneficiary of the property, unless prohibited by law or agreement. Debts should only be paid after timely, sufficient evidence is provided by creditors, in accordance with state law. The executor shall also pay attorneys' fees and estate administration costs.

I further direct that all estate, inheritance, or succession taxes, including penalties and interest, be apportioned among those benefiting from my estate, whether through this Will or otherwise, in accordance with applicable laws. My executor is authorized to seek reimbursement for any taxes paid on behalf of beneficiaries, as allowed by law.
