

Hosting - Notice to users

This hosting section is still under development due to the vast amount of features available to those wishing to use the hosting platform. The best method to become familiar with “How To Host” is to sign up for a hosting demo through the RAF Leaderboard website and click on Schedule Hosting Demo where you will learn how to:

- 1) Create your event
- 2) Make money hosting
- 3) Upload your events description, rules, and prize (if any) documentation
- 4) Establish your divisions
- 5) Best use your promotional video and target file to drive members to your event
- 6) Use event codes and how these codes link event members to your account
- 7) Promote your event as either public (with our help) or keep it totally private - your choice
- 8) Gain access to your event members and control your leaderboards
- 9) Manage your admin portal
 - a) Live and Upcoming Events
 - b) Completed Events
 - c) Membership Rev-share
 - d) Event Library
 - e) Manage Division Rules
