

ALLY LOVE

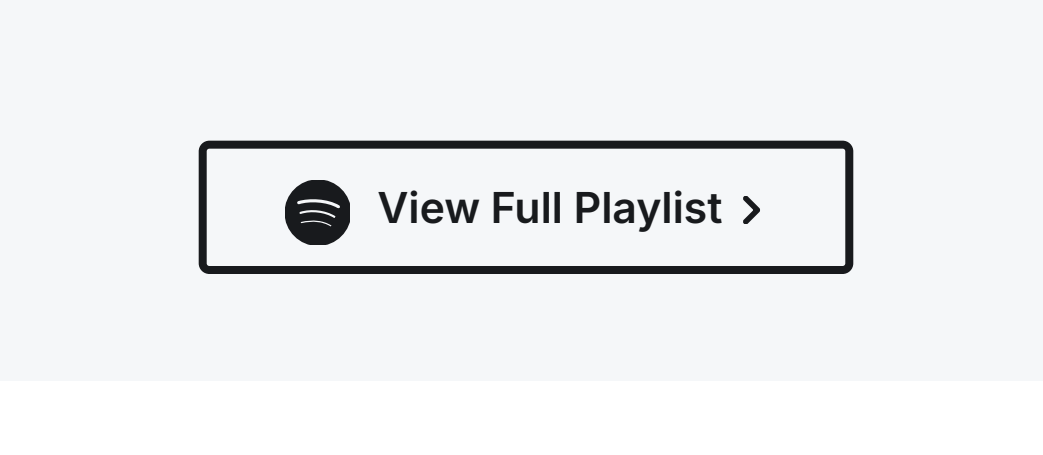

Peloton Instructor

As a model, dancer, certified health coach, host of the Brooklyn Nets, runner, and the founder of fitness lifestyle brand Love Squad, Ally really does it all. At Peloton as in all of her pursuits, Ally's goal is to lead by example while empowering people to approach wellness and fitness in a positive light. When she's not on the Peloton Bike, you can find her flexing her entrepreneurial muscles, or enjoying a good doughnut.

Meet Ally

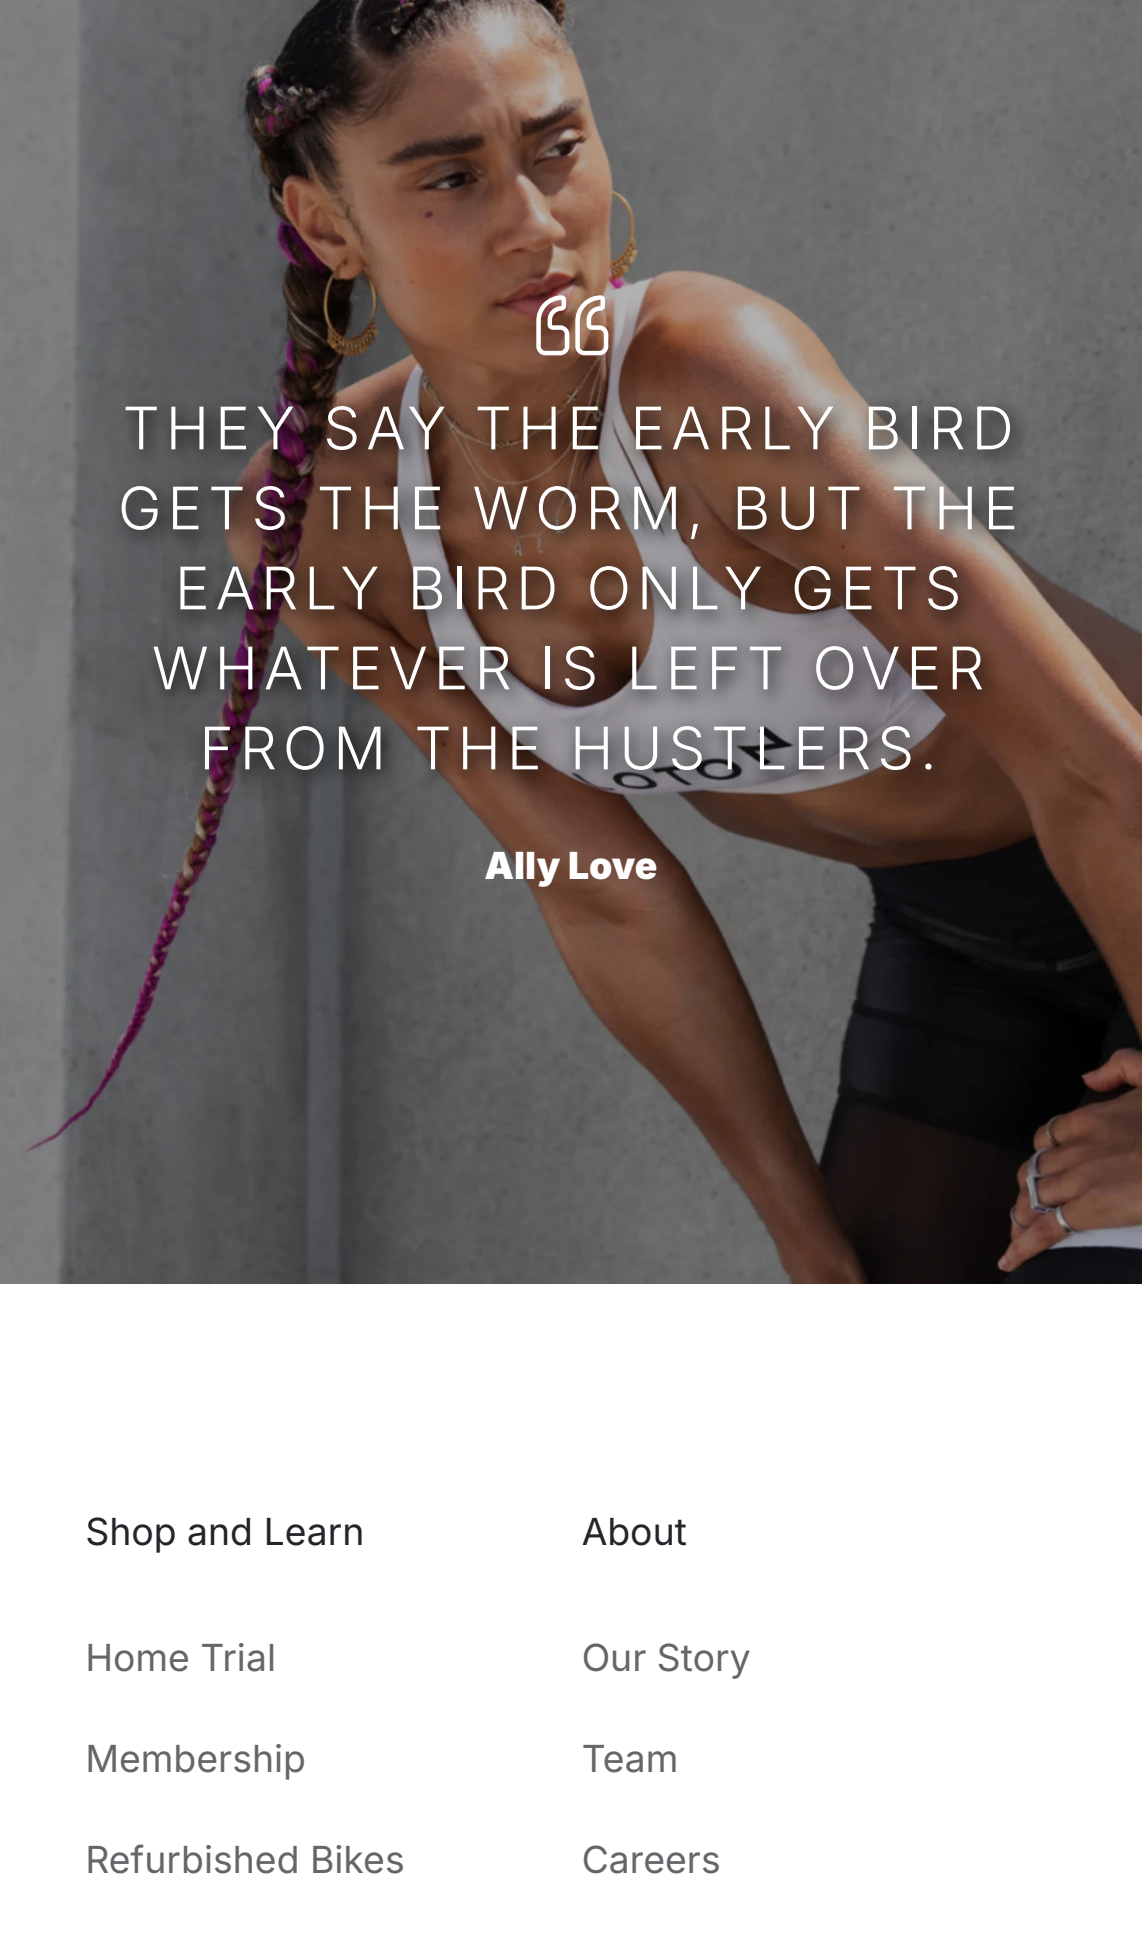

My life goal is to remind the world that we all have one life to live, and together we should live it to the fullest. I believe that what connects us most is the power of sweat, and physically working through things as a team.

How Do You Motivate?

We ride to become boss of the Bike and to remind ourselves that we are the boss of our lives. My classes are designed to make you feel proud and uplifted, both on and off the bike.

Outside of Peloton

I always try find the right balance of fun and work, knowing they don't have to be different things. Off the Bike I love donuts, tennis, basketball, karaoke and parties.

THEY SAY THE EARLY BIRD GETS THE WORM, BUT THE EARLY BIRD ONLY GETS WHATEVER IS LEFT OVER FROM THE HUSTLERS.
