TTI Combat

SKU H67854-N

SUPERIORITY WITHIN REACH

Taran Tactical Innovations and CANiK are proud to partner to bring you the CANiK TTI Combat.

Built on a completely new polymer frame designed by Taran Butler, the TTI Combat brings a one-of-a-kind performance package to the CANiK lineup. This sleek design is built by the best, for the best, and includes all the features a world champion like Taran Butler needs for success. Both internally and externally, the TTI Combat delivers. Immediately notable are the following features: The aggressive grip texturing, integrated flared magwell, removable aluminum competition magwell, a ported and spiral-fluted barrel, the first CANiK compensator, a diamond cut and flat-faced 90 degree break trigger, fully adjustable sights, two 18 round magazines with one flush fit TTI base pad and one +3 TTI base pad, a serrated and ambidextrous slide release, three back strap size options, a low profile optics cut for the MECANiK line of optics as well as the Trijicon SRO... and many other optic options. This unique handgun also comes with a custom holster, hard travel case, cleaning kit, tool kit, custom punch, magazine speed loader, trigger lock and three optic plate interfaces. To finish off this collectable package we've included a handsome collaboration coin to commemorate our lasting partnership, a partnership that has created a truly Superior Firearm.
